RESOURCE NAME	BRIEF DESCRIPTION
ALCOHOL	
 <p>Liquor Licensing Legislation in Australia: Part 1 An Overview</p>	<p>This report provides an outline of the key alcohol-related issues facing Australia based on a literature review. It also contains an overview of the liquor licensing arrangements in each state and territory.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Liquor Licensing Legislation in Australia: Part 2 An Jurisdictional Breakdown</p>	<p>This report provides details of each state and territory's liquor licensing legislation.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Liquor Licensing Legislation in Australia: Part 3 Police Expectations and Experiences</p>	<p>This report describes the expectations and experiences of police concerning liquor licensing in Australia.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Liquor Licensing Legislation in Australia: Executive Summary</p>	<p>This report is an Executive Summary of the three project reports.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Liquor Licensing Legislation in Australia CD-ROM</p>	<p>The CD Rom includes:</p> <ul style="list-style-type: none"> • Liquor Licensing Legislation in Australia: Part 1 • Liquor Licensing Legislation in Australia: Part 2 • Liquor Licensing Legislation in Australia: Part 3 • An Executive Summary of the three project reports <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>

RESOURCE NAME	BRIEF DESCRIPTION
 <p>Key Features of Liquor Licensing Legislation in Australia</p>	<p>This brochure summarises some of the key features of liquor licensing legislation in all Australian states and territories. Features considered include: the legislated harm minimisation objectives, liquor accords, responsible service of alcohol and venue management training, trading hours and lockouts, barring orders and banning notices, and risk-based licensing fee structures.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Secondary Supply</p>	<p>This brochure outlines the laws available to regulate the sale, supply, and consumption of alcohol by young people aged under 18 in all Australian states and territories. The brochure summarises the similarities and differences between the states and territories, and provides a list of resources available in each jurisdiction to assist parents and those working with young people to navigate this complex subject</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Australia's Key Alcohol-related Datasets</p>	<p>This report provides an overview of 20 Australian key national alcohol-related datasets with a description of each dataset's purpose, strengths, limitations and select publications. The report provides a useful aid to researchers, practitioners, policy makers and public commentators, and contributes to development of the evidence base to inform alcohol-related policy and practice in Australia.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Alcohol Data Reporting Standards</p>	<p>This report outlines Australia's first alcohol data standards covering 4 key issues: age; abstainers; quantity and frequency of consumption; and risky consumption. Adoption of these standards will help ensure greater consistency between the large and diverse number of alcohol-related datasets and provide an agreed mechanism for reporting alcohol data that is consistent with both current and previous iterations of the National Health and Medical Research Council (NHMRC) alcohol guidelines.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>The Social Context of Alcohol Use in Australia</p>	<p>This report addresses a range of contemporary issues related to the use of alcohol in Australia.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Young People and Alcohol The Role of Cultural Influences</p>	<p>This Resource is Free of Charge Bulk orders may incur a postage charge</p> <p>Due to limited supplies, only one copy will be sent per order.</p>

RESOURCE NAME	BRIEF DESCRIPTION
---------------	-------------------

FAMILY AND YOUNG PEOPLE

 <p>Can I ask...?: An alcohol and drug clinician's guide to addressing family and domestic violence</p>	<p>There is a growing impetus for a more comprehensive approach to understanding and addressing the causes of family and domestic violence (FDV), and its prevention and treatment across the broader welfare system.</p> <p>This guide explores the relationship between AOD and FDV services, with a focus on identifying how the AOD sector can better support clients who have co-occurring AOD and FDV issues, and minimise associated harms experienced by their children. It includes strategies for working with FDV, tips and traps, guidance on organisational responses and links to other resources.</p> <p>Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Breaking the Silence: Addressing family and domestic violence problems in alcohol and other drug treatment practice in Australia</p>	<p>This document is a brief literature review that was prepared as background to "Can I ask...?" It addresses family and domestic violence and the role played by alcohol and other drugs and the scope for AOD services to respond to address this complex issue.</p> <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>A Family Sensitive Policy and Practice Toolkit</p>	<p>The resource toolkit is a comprehensive package comprising:</p> <ul style="list-style-type: none"> • Survey report 'Taking First Steps' • 'For Kids Sake' - a user friendly resource for AOD Workers • a 6 page summary document • an A3 size Family Sensitive Policy and Practice checklist • CD-Rom containing the above plus additional key resources. <p>This Resource is Free of Charge Bulk orders may incur a postage charge</p>
 <p>Drug Testing in Schools Evidence, Impacts and Alternatives</p>	<p>This Resource is Free of Charge Bulk orders may incur a postage charge</p> <p>Due to limited supplies, only one copy will be sent per order.</p>

INDIGENOUS AND TORRES STRAIT ISLANDERS

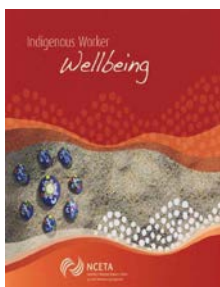

Feeling Deadly, Working Deadly: Indigenous AOD Worker Wellbeing Resource Kit

This resource kit contains the following components:

- An Introduction outlining the background and rationale for the development of the Kit and how to use the Kit
- 2 DVDs, including a video resource which takes a humorous look at a day in the life of an Indigenous AOD worker
- A handbook of strategies for preventing stress and burnout among Indigenous AOD workers.
- 7 Theory Into Practice (TIP) Sheets for managers and supervisors to help them enhance the wellbeing of Indigenous AOD staff
- 4 Theory Into Practice (TIP) Sheets for Indigenous AOD workers to help them enhance their wellbeing and help prevent stress and burnout
- 5 Case Studies designed to act as discussion starters concerning problems faced by Indigenous AOD workers
- A Talking Circle Guide for conducting talking circle discussions which can be a very useful way to bring staff together to identify and address issues that can contribute to stress and burnout in the workplace
- An Indigenous Workforce Development Checklist for the AOD field
- An Online Directory of Worker Resources to provide Indigenous AOD workers with easy and user-friendly access to worker wellbeing resources throughout Australia, and
- Other Resources (e.g., Post-It Notes and Bookmark).

This Resource is Free of Charge
