

Alcohol and other drugs qualification offered by Australian vocational education and training providers: 2023

What are my options?

Vocational education and training is an important component of developing a knowledgeable and skilled alcohol and other drug workforce.

We put ourselves in the situation of a student interested in undertaking a AOD-specific VET qualification; and conducted a web-based search for study options, leading to one of the following qualifications in March 2023:

- Certificate IV in Alcohol and Other Drugs (CHC43215)
- Diploma in Alcohol and Other Drugs (CHC3215).

[~]Subsidies are subject to change, based around State Budget initiatives

Provider: NCVET assignments

NF: Not Found

CSP: Commonwealth supported place. A place at a university or higher education provider where the government pays part of your fees. Paid as a subsidy, not a loan, meaning the individual is not required to pay it back

HELP: A Commonwealth funded loan that can be used to pay fees in a fee-paying place. A range of eligibility requirements are in place

Study mode: Full-time is usually considered more than 15 hours per week of attendance, with any time less than that considered part-time.
